Was anyone else watching “***Some Good News***” with John Krasinski last spring? This show resonated with us because in spite of the uncertainty of those early COVID days *we couldn't help but feel upbeat* as we experienced firsthand the creativity and generosity of our community. The bottom line? Our community is made up of a whole bunch of INCREDIBLE individuals and businesses willing to lend a helping hand whenever they can.

During the first uncertain months of the pandemic several of our customers launched fundraising campaigns using our **Online Merch Stores**. They inspired family, friends, and members to get involved in the effort –**collectively these organizations raised close to \$40,000 during March-July 2020!** This money was used to:

- Support local businesses that were struggling with COVID19 related closures
- Purchase iPads for patients that were isolated in the hospitals to help them communicate with their families
- Provide food, clothing and shelter to families in need
- Purchase laptops for children so they could do remote dance classes
- Contribute to a healthcare scholarship fund

**Alone we can do so little;
together we can do so much.**

HELEN KELLER

Communitees Project

This project was disaster relief—Mint style. We did it the only way we know how ... t-shirts!

COMMUNITEES FOR THE COMMUNITY

If you purchased one of the Communitee shirts, YOU made this campaign a success, helping us raise almost \$8,000 for 27 local businesses.

A portion of every sale went directly to the individual business or organization showcased on the tee to help them make it through the COVID closures.
